Description: Now in board book! A young boy pretends to drive a train and takes his little brother along for an adventure in the mountains. There are bridges to cross, tunnels to travel through, and mountains to climb so kids can hop on board before the whistle blows. Told in simple words from a little boys point of view, this spot-on board book celebrates a childs...

Review: My son is 2 we have all 3 books train man, digger man and fire man. The stories don't drive me crazy and I love that while he uses his imagination it's still real which aligns with Montessori practices. We've been reading them for over a year now and they are still a favorite....
